Dear Catherine S. Harrison,

Darryl Caldwell deliberately withheld the notice of deficiency for Case No. 2024-0011454 with me until 9/16/2024, then asked for an extension due to his willful negligence. He has been terminated and I was never made aware of the courts instructions until this morning. Now, I'm asking for an extension until Friday to go pay the \$250.00 filing fee and amend the Notice of Appeal with Proof of Service with mailing addresses for all parties served. Please see attorney/client conversation below. My autistic son was hazed, assaulted, abused, and neglected and Caldwell was compromised. I'm done with him. May my son and I have mercy of the court as a matter of Law and Justice.

Thank you in advance.

Hannah L. Secka
