Re: Gloria Parker v. Fairfield County  
Appellate Case No. 2013-000437

Dear Ms. Kitchings:

On August 2, the Court entered an order transferring the above workers compensation appeal to the Court of Common Pleas for Fairfield County. Shortly thereafter, on behalf of the respondent, I filed a motion to amend this order seeking a clarification as to whether the Court intended to rule on a certain jurisdictional issue or to defer that ruling to the circuit court.

Today I learned that the circuit court may hear the appeal as soon as a September 23<sup>rd</sup> term of court. In order to provide guidance as to what arguments the circuit judge may consider, it would be greatly appreciated if the Court could address the motion to amend prior to that time.

Thank you for bring this timing factor to the attention of the Court.

Sincerely,

Lex A. Rogerson, Jr.
