I, Joe Clemons is sending this to the Appeal Court to show that I before and was trying again to get my accurate uncut unedited transcripts, but it seems very obvious that the Court of Administration is not going to let me have those transcripts. I have called them, emailed them, and I have been calling and email The court of Appeal trying to get help and direction on what to do. Now on yesterday I got this email stating that my case being dismissed, because I did not make any attempt to follow the court's instruction about rules 607 and the others rules, but I tried making many attempts and I am still trying to get the transcripts that are needed to fill the judges order. So, please let me know if and how you can help me get these things.
