C/A no. and Jurisdiction: 2022-CP-08-02508, Berkeley CP

Appellate Case No.2023-001837

Dear: Ms. Harrison and Ms. Ellore A Gains

This informal letter is to Clarify, organizes hopefully Expedite this Traumatic legal Situation, due to the egregious behavior on behalf of the council, that represents the Respondent's Hanahan Police Department has Regretfully Refused to Acknowledge any Accountability unfortunately for the respondents! I am telling the truth so I wanted to Consolidate and elaborate also simplify the Brief. Because of The Firm Representing the Respondent's Hood Law Firm Has Powerful Connections With all of the Attorneys Placing me at a complete Disadvantage thankfully the Wonderful staff at the South Carolina Court of Appeal is helping me unlike the affiliates of the Respondent's Berkeley County. I'm being giving the opportunity to Fix any discrepancy that my case manager makes me aware of I appreciate her Guidance in helping me with this egregious case so the Second Brief Sent to Ellore A Gains only Fixed the Mistakes that my case Manager Identified in return I wanted to use the Introduction to hopefully help the court get a better understanding of my purpose if the Respondent's feel remorse and Stop Following the Racist Beliefs of the Attorneys Representing the case The Brief Filed on June 28,2024 had too many Discrepancy's and was Completely unorganized because I am using the Truth To Fight this case the Amended brief received August 19,2024 is the Version that I was advised by the Wonderful Staff Case Manger To Fix The Amended Brief Hopefully Will Clarify the Confusion the Attorneys have been using Through Legal Tactics Because I have met no Attorneys willing to help me in South Carolina the Deeper Message is What The Amended Brief is intend to approach Domestic Violence & The Results of Allowing Mother's to get away with Neglect,& Child Abuse just to prove a point of White Supremacy in Berkeley County but I also wanted to Identify the Good people in Law Enforcement that I want to use the Compensation to help Solve and Prevent Further Child Abuse & Domestic Violence Deaths because Black Men are afraid to cooperate with Law Enforcement afraid because the same thing that happened to me happens all the time in klanahan the Nickname Giving to the Respondents Hanahan Police department. Hopefully we can Prove them Wrong through Reparation using Creyola To send a message of Hope

Thank You for not just dismissing this case and Not Following Berkeley County Taking Advantage of another Black Male Fighting another case of Discrimination by Berkeley County affiliates Kind Regards Muhammad Wilson,

Muhammad Wilson 8082 Rivers Room 309 Ave North Charleston S,C 29406
