SC Court of Appeals

Hello Mrs Bailey I have been trying to get in touch with you, because you know that I have had problems with this department, all because I am a victim of a bad lawyer that I have caught altering transcripts. Mrs. Bailey you know that I m telling the truth, because I spoke to you about Mr. Charles Norris and the things he have done. This is the only reason this department is telling me that I can only communicate with this department only by U.S. Mail only. Mrs. Bailey I have a limited time to get the things the Judge from the Appeal Court is requesting that I must get, if I only can mail things in and got to wait until you mail them back my time limit will have expired. Mrs. Bailey I'm ask you to please ma'am help me get the accurate transcripts that I need and valid it by listening to the audio recording. So I'm requesting that I get these transcripts with validation by listening to the audio recording of these transcripts that the Appeal Court have demanded of me. I'm begging anyone and everyone that can help me please do.
