Dear Ms. Holmes

I went to Beaufort county court to inquire/request about ordering transcripts for court case 2024-CP-07-00775 from Beaufort county, Honorable Judge S/R McIntosh and I requested who was the court reporter, and the representative at the clerk desk told me I had to go to the [sccourts.org](#) site, go through the steps to look up the court reporter and then contact the court reporter to request the transcripts on the sc [courts.org](#). I have gone on the sscourts website and followed the steps. I went through all the steps and I couldn't find the court reporter's name but it is listed as Circuit Court Webex as court reporter and stated I have to download app, I tried to download the app and it said my device is not compatible. I also tried calling and I wasn't able to get anyone or couldn't leave a voicemail. Here attached to the email is the steps that result from my finding for the court reporter to request transcripts.

Your email address was listed in reference to transcripts on [sccourt.org](#) site to contact for additional assistance, if you can please assist with this matter.
