This matter comes before the Court by way of an application for post-conviction relief filed June 5, 2020. Respondent made its return on or about January 26, 2021, requesting the application be summarily dismissed as successive and falling outside the statute of limitations.

Pursuant to this request, and after reviewing the pleadings in this matter and all of the records attached thereto, this Court issued a Conditional Order of Dismissal signed January 28, 2021 and filed February 9, 2021, provisionally denying and dismissing this action, while giving the Applicant 20 days from the date of service of said Order in which to show why the dismissal should not become final. Attached to this Final Order and incorporated herein by reference is an Affidavit of Service dated May 24, 2021, serving the above-mentioned Conditional Order of Dismissal on Applicant.

Applicant has failed to respond to either Respondent's motion to dismiss or this Court's Conditional Order of Dismissal. Therefore, this Court finds a sufficient reason has not been shown why the Conditional Order of Dismissal should not become final.
