Re: New Vision Automotive v. Chiquita E. Cain
Appellate Case No. 2024-001479

Dear Counsel:

The Court received your correspondence stating that there is no transcript to be ordered in this matter. The order on appeal indicates a hearing was held before the circuit court on July 30, 2024. Pursuant to Rule 207, SCACR, the Court requires written confirmation from all parties that the transcript is either not available or is not needed in order to perfect the appeal. Unless the parties otherwise agree in writing, appellant must order a transcript of the entire proceedings. You must provide proof of having ordered the transcript, or provide a written agreement of the parties to proceed without the transcript of the proceeding before the circuit court, within 10 days of the date of this letter or this appeal will be dismissed.

Very truly yours,
