Good afternoon:

The proof of service filed with Respondent's brief is clear that service was effected appropriately. Regardless, a copy of the envelope in which the service was made upon Ms. Pierce is attached here for the court's reference.

Additionally, Respondent would respectfully request that the Court no longer entertain Ms. Pierce's ongoing attempts to delay this matter and deny the (apparent) request that she is making below to file a sur reply, which is not permitted as a matter of right under the rules and will serve no purpose other than to indulge her overt efforts to waste the court and Respondent's time and resources.

Best,

Patrick

Clerk,

The respondents stated that they mailed a copy of the response to my return but I have not received it yet. I will file my return to their response after receipt of the hard copy as required by law. I'm a pro se litigant.

Thanks,

Dorothy Pierce
