Re: Request for Extension of Time to File Notice of Appeal

Dear Mrs. Harrison,

I received your notification dated September 17, 2024 regarding my writ of mandamus filing. I understand that the Court lacks jurisdiction due to the absence of a timely served notice of appeal. Pursuant to Rule 203(a), South Carolina Appellate Court Rules, I respectfully request an extension of time to file the notice of appeal. Due to working two jobs and balancing some injuries from a car accident a few months back that I went to the ER due to my having of cervical issues. The original deadline was missed and I kindly request an extension to file the notice of appeal, I am prepared to take immediate action to rectify this issue and ensure timely filing. Please advise on the necessary procedures or additional information required for consideration of this request. Thank you for your attention to this matter.
