Re: T. Tree Farms v. SCDHEC, Appellate Case No. 2022-001792

Ms. Kitchings:

On July 22, 2024, at 3:13 pm, I filed a Motion for Costs pursuant to Rule 222, SCACR in this case. The motion was not premature as it was filed after the issuance of the remittitur on July 22, 2024 at 1:58 pm. The Court accepted the Motion and the \$50.00 filing fee, and yesterday the Court disposed of Appellant's untimely filed Petition for Rehearing and reissued the remittitur. My Motion for Costs remains pending. Under Rule 222(d) SCACR the Appellants have a right to file a return opposing my request or seeking a reduction in the amount of costs to be awarded. Please instruct me as to whether I must refile my Motion and whether that Motion must be accompanied by yet another filing fee, or whether the Court will take up the Motion as filed for consideration.

Yours very truly,

Alexander G. Shissias
