RE: Fritz A. Timmons Appellant, v. State of South Carolin Respondent, Case No.
2013-CP-13-00150

Dear Pamela Ozment-Cartee

On May 8, 2013, the above case was tried before J. Micheal Baxley, Circuit Court Judge, in Chesterfield County of which I requested a full transcript of the hearing. The transcript that I received had the statement "With all this evidence against you, your lucky your not in jail" that was outburst by Judge Baxley omitted and (should have been approximately on P.4 L1) along with the multiple statements regarding to the appellant to leave the court room at the end of the hearing. Therefore I am requesting the purpose of these omissions and that a revised transcript that includes ALL comments and statements by Judge Baxley to be included. Thank You.

Sincerely,
Fritz A. Timmons
