Docket No. 24-AJ-22-0209-AP

MOTION TO CONTINUE

RECEIVED
SEP 26 2024
SC Court of Appeals

This matter is brought before the South Carolina Court of Appeals, pursuant to an **Order of Dismissal**, by the Honorable Judge Ralph K. Anderson III on August 28, 2024. The South Carolina Department of Employment and Workforce falsely stated that my Motion To Continue was not timely file, which is incorrect, as well as Appellant did not file a Notice of Appeal. Appellant do NOT work at the United States Postal Service and cannot control the mailing, but Appellant have witnesses at the Richland Library Southeast Branch, that assisted with preparing the packets, faxing information to parties and preparing mailing packages for the United States Post Office, across the street from the library, were done in a timely manner and same time.

Also, the Administrative Law Court and the Respondents were aware of Appellant being medically refrained from testifying on a witness stand, by my Cardiologist (heart doctor) since April 15, 2024, and have not informed any Court, that I have been released to continue. With the previous Motion To Continue dated, August 16, 2024, please notice that Dr. Patricia McClerkin, a Dermatologist examined me on August 15, 2024, where I had a huge abscess and could not do anything with my hand, arm, physically, mentally, etc., due to the attempted sexual harassment/assault by Victor Zaldavir, Belk Department Store Manager. According to my Counselors, Therapists, Physicians, Pharmacists, Pastors, etc., these injuries to my medical and mental statuses are disabilities, and could possibly be for the remainder of my lifetime.

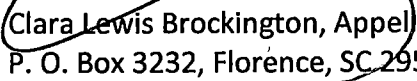

As far as case being dismiss because it was moot, there was no reason for this statement. Appellant's disabilities listed would not allow me to answer anything and the Motion To Continue was done in order and in decency. Please note for the record that the Appellant and the witnesses from the Richland Library Southeast Branch and the United States Post Office are witnesses and will testify, that they had to assist me, due to my numerous health and mental problems on this date.

Per my Advisors, Appellant is attaching the complete packet that was mailed to the Administrative Law Court in a timely manner which included: Motion To Continue, Proof of

Service and Dr. Patricia A. McClerklin's excuse, which is what Judge Anderson said was missing. Per my Advisors, I am not an attorney, a clerk or any member of the Court, so if there was anything missing, the COURT should have shown courtesy and sent me a letter listing the missing items, with a deadline to return items to the Court. However, none of these items were ever missing. Due to my medical and mental status, I did not act on anything in the case for the Court to say, "Case was moot".

Appellant is requesting that my **MOTION TO CONTINUE** is granted, due to Appellant is dealing with numerous doctors, therapists, counselors, pharmacists, medications, mental status, concentration and thinking, numerous medical problems, pain, suffering and heart problems, etc. (Please see documentation). As far as case being Moot, there is no subject in my MOTION for the Respondents to dispute, debate or discuss. With these points clarifying that my **MOTION TO CONTINUE** was clear to these points, Appellant request that MOTION is granted and case is remanded back to **ADMINISTRATIVE LAW COURT**. Thanks in advance!

Respectfully Submitted,

Clara Lewis Brockington, Appellant
