I am writing on behalf of and at the direction of Carl Muller who represents D.R. Horton, Inc. Mr. Muller discussed his firm's situation with the Court this morning regarding the power outages in Greenville, South Carolina. Last Tuesday there was a microburst due to a mini tornado that disrupted power in Greenville, SC, for almost two days. Then, before dawn on Friday, the power was again disrupted due to hurricane Helene. Best estimates are that power may be restored by the weekend. He asks that for the Court's understanding as his firm works through this disruption as to upcoming filing due dates.

Best Regards,
Vikki Wulf

Carl,

I hate to hear that you are dealing with the aftermath of this horrific storm. I hope you, your staff, and your family are safe. Respondent Gale has no objection to any extension that you need due to the storm and efforts to get back up in running.

Kindest regards,

Alicia N. Bolyard
