Re: Mirlene Witherspoon v. Gwendolyn Jones Dennis (2)
Appellate Case No. 2024-000664

Dear Ms. Pryor:

I would like to file an extension on submitting the Initial Appellate Brief and Designation of Matter for sixty (60) days.

This request is necessary due to the venue of the case seems to hinder my ability to obtain proper representation and or assistance in preparing and submitting said documents.

I'm diligently working on this matter and appreciate your consideration.

Respectfully,

Gwendolyn Jones Dennis
