The State

Dear Ms Shealy,

I submitted a belated appeal in 2021 and I was told to reply. I submitted a brief to show why I should be granted relief from this conviction, and your office states that it did not receive the certified receipt return requested. I am asking this court to order an audit of my financial account and verification with the US Postal mail carrier and from my S.C.D.C Cooper's Trust account as Burden of Proof that I did comply with the order 246 to respond to the Court.

I am requesting to refile my reply to the Court

Respectfully

Submitted
