Now comes, Athena Irland, pro se, to respectfully moves the court to grant a twenty (20) day extention of time to file Amended Initial Brief and Designation of Matter pursuant to court order dated/filed September 10, 2024. Appellant's ability to complete the brief has been significantly impacted by Hurricane Helene. In addition to losing power, the Hurricane caused significant roof damage causing several leaks in my home as well as trees that have fallen on different sections of fence surrounding the property. Fixing the fence becomes a priority to prevent horses from creating a public safety concern and running into the street.

Therefore, Appellant respectfully moves the court (Order attached for convience) to grant an extention of time to file her Amended Initial Brief and Designation of Matter until October 21, 2024.
