

# The Supreme Court of South Carolina

Patrick Bertram Walker, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2024-001144

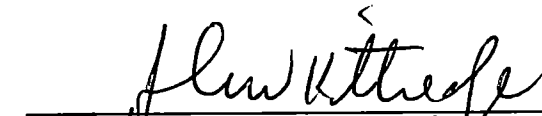

---

## ORDER

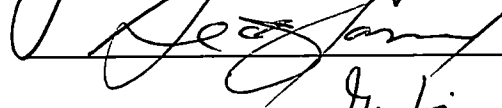

---

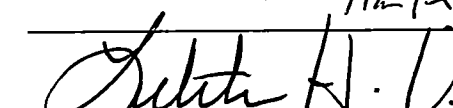

In the explanation required by Rule 243(c), SCACR, Petitioner has failed to show there is an arguable basis for asserting that the determination by the lower court was improper. Accordingly, we dismiss the notice of appeal filed by Petitioner. The remittitur will be sent as provided by Rule 221(b), SCACR.

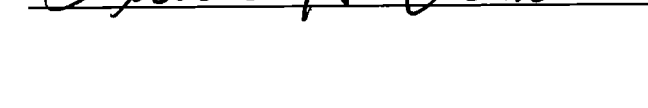

Further, because Petitioner already filed two applications for post-conviction relief (PCR), both of which were denied, by letter dated July 16, 2024, Petitioner was given twenty days to inform this Court of any reasons why restrictions on future filings should not be imposed. Petitioner has failed to provide any such reasons. Therefore, we prohibit Petitioner from filing any further collateral actions in the circuit court, including PCR actions and habeas corpus actions, as well as any motions relating to the previously filed collateral actions, challenging his 2003 murder conviction without first obtaining permission to do so from this Court.
