It's been a hectic month-what with working this reduced schedule and vacation, I'm a little behind. I do not disagree that until a final ruling on the attorney's fee issue, the case is not ripe for appeal. I will have that Order signed and filed this week.

Judge Cooper,

Although an order and judgment has been issued on the request for reconsideration in this matter, according to my review pending your ruling on Plaintiff's request for attorney fees the period for filing appeal on all issues remains open. Link v School Dist. of Pickens County, 302 SC 1, 393 SE2d 176 (1990) (final judgment disposes the whole proceeding)

It is my understanding that Mr. Shealy concurs in this position. I am communicating out of an abundance of caution to inquire whether you hold a different view.
