A Motion/Stay and Appeal Bond hearing was heard before the Honorable Thomas W. McGee in the Anderson court of common pleas on 9/25/2024. The judge required the Appellant to pay the landlord the monthly rent of \$800 beginning in October, 2024.

The Appellant has not paid (me) the landlord the mandated rent by the required due date of 10/5/2024. As such, I request the appeal be dismissed.

Please provide any communication for this appellate case to my via e-mail and postal mail.
