Fred Freeman v. State of South Carolina
Appellate Case No. 2023-001221

Dear Ms. Kitching:

Please find that on September 05/2024,
I forward Petition - Affidavit(s), respect-
fully seeking recognizance bail. I also
requested of South Carolina Supreme
Court, to forward order to Attorney
General office to issue warrants out
against Court official, for fraud upon
official Court house documents,
Pursuant to 18 U.S.C.A. 1506; SIXTY
South Carolina Appellate Court Rules;
Federal Rule SIXTY.

September 17/2024 Petition requesting
for legal counsel, also to South Carolina
Supreme Court, pursuant to rule
SIXTY (b), (4), and (5).

2024 WL 1793022, obstructing
Justice 18 U.S.C.A. §§ 1503 (a), 1515 (c),
submitting a False Affidavit(s),
has no objectively lawful, bona-fide
purpose. Trial attorney knew the

C. of A. 2/4

affidavit(s) to be false and therefore acted corruptly. The safe harbor provision should be viewed as full intent.

My name is NOT Earl Johnson Jr, whom ever he may be.

I was convicted upon same Affidavit(s), dismissed by magistrate Judge at preliminary hearing, December 04/2015, following magistrate Judge disposition(s) December 09/2015, dismissed NOT indicted.

Petitioner respectfully must refer to Petitioner Brief and mandamus writ before court.

There no trial until there is a grand jury indictment or preliminary hearing to ensure a threshold of sufficient evidence to where a jury might convict.

Evidence shows significantly impairs prosecution of criminal case. No notice of intent to appeal have been given, as imperatively required by statutes.

The jury requested to rehear Mr. Kulas testimony. The court

C. of appeal 3/4

informed the Jury, that due to Equipments and Acoustic, it would not allowed Mr. Kulas testimony to be rePlayed. The Court Reporter, The Court, we will have to let our Court Reporter go into the Jury room with xll and Play that testimony on her Laptop, However "we can Play other testimony for you" but NOT Mr. Kulas testimony.

Rebuttal never occurred, Find a likely Scapegoat and Hang him out to dry.

SEAN MCWILLIAMS - Investigator testimony, That Mr. Kulas told him he found a BLUE JACKET after Police CLEARED. No Police corroborated Mr. Kulas testimony, that he was in HANDGLUFS, for Four hours.

Public Defender John T. Church created said NARRATIVES - TESTIMONY, The case did NOT make it Pass Preliminary hearing.

Petitioner respectfully ask of the Court, for adjudication of following, to include Petitions and Brief before the Court. Respectfully

cc/ A/E - Dixon
