APPELLANT,

RESPONDENT.

**MOTION TO SET BRIEF DEADLINE**

---

It appears that Appellant's Initial Brief and Designation of Matter was filed with this Court on September 3, 2024. Although the Proof of Service indicates that the Initial Brief and Designation of Matter was served on August 22, 2024, per the attached, the documents were sent via Inter-Agency mail and were not actually received by Respondent until September 24, 2024. Appellant did not perfect proper service under Rule 262(c)(2), SCACR, since he sent the documents via Inter-Agency mail rather than U.S. mail with proper postage affixed. Accordingly, Respondent would respectfully request that it be permitted to file its Initial Brief and Designation of Matter thirty days from actual receipt of the Appellant's Brief, on October 24, 2024.

Respectfully submitted,
