

The South Carolina Court of Appeals

Nery Rodas d/b/a RNG Contracting, LLC, Respondent,

v.

Brian W. Bowles and Kristina Bowles, Appellants.

Appellate Case No. 2023-001227

ORDER

On July 31, 2024, this court advised Appellants to serve the record on appeal within thirty days of the date of the letter. On August 30, 2024, Appellants filed a proof of service stating they had "served the record on appeal form" on Respondent. On September 11, 2024, Respondent filed a motion to dismiss because "Appellants ha[d] not filed the record on appeal as directed by this court." Appellants filed a return, stating they believed their prior counsel filed the record on appeal and that they had thirty days after a decision was made on the motion to dismiss the appeal. After careful consideration, we deny Respondent's motion to dismiss. Appellants shall file the record on appeal with this court within twenty days of the date of this order. Failure to comply will result in dismissal of the appeal.
