

The South Carolina Court of Appeals

Marka Danielle Rodgers, Appellant,

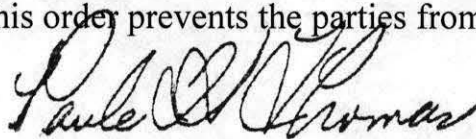

v.

CNT Foundations, Respondent.

Appellate Case No. 2024-001248

ORDER

Respondent's motion to dismiss this appeal is denied. Appellant timely filed her motion for reconsideration with the circuit court pursuant to Rule 59(e), SCRCP, and timely filed her notice of appeal within thirty days of receiving notice of entry of the order denying her motion. *See* Rule 59(e), SCRCP ("A motion to alter or amend the judgment shall be served not later than 10 days after receipt of written notice of the entry of the order."); Rule 203(b)(1), SCACR ("When a timely motion . . . to alter or amend the judgment (Rules 52 and 59, SCRCP) . . . has been made, the time for appeal for all parties shall be stayed and shall run from receipt of written notice of entry of the order granting or denying such motion."). We do not believe Appellant's failure to comply with Rule 59(g) affects the jurisdiction of the trial court to rule on the motion for reconsideration or this court's jurisdiction over this appeal, where both the motion and the notice of appeal were timely served. *See* Rule 59(g), SCRCP ("A party filing a written motion under this rule shall provide a copy of the motion to the judge within ten (10) days after the filing of the motion."). However, nothing in this order prevents the parties from addressing jurisdiction in their briefs.
