SOUTH CAROLINA JUDICIAL BRANCH SC Court of Appeals
Office of the State Court Administrator

Court Administration

To: Mrs. Karama B. Herrington and Tammy Holmes, I Joe Clemons is writing this letter to the court of administration by way of a court Order from THE COURT OF APPEALS stating that "However, within ten days of the date of this order Appellant shall provide this court with proof he has made satisfactory arrangements to pay for the transcripts." Well Mrs. Bailey Herrington and Mrs. Holmes you both know that I have been trying for over a year and more to get accurate transcripts that is consistent with what was stated at the hearings and trial. I have been calling, writing emails, coming down to your building lobby calling and requesting and asking someone to please come down so I could do whatever needed to be done, that I could get the transcripts which is demanded of me for the appellate court. Now here again I'm asking and requesting to please help me get the necessary and needed transcripts of hearings on 1-11-21, 7-18-22 and 1-31-23, I have paid for two of them, but those transcripts was not accurate, and I have been complaining requesting that I have the opportunity to validate the transcripts by listening to the recording which is the very purpose of the recording. The only transcript that I have not paid for is the one on 1-31-23, so please let me know how much that will cost plus whatever additional costs for all the transcripts to be accurate by giving me the uncut or unedited that I can validate by listening to the recording to ensure accuracy. So please call or email me with the cost and who and where to send the money. 843-753-7007, cell phone 843-906-1133 or email clemonswelding1@gmail.com.
