Fact is none of the elements of murder or Voluntary manslaughter is in this case. Petitioner Plea not guilty at the beginning if it wasn't for trial Counsel misleading and grossly advice. Petitioner would have not pled guilty and would have went forward with trial. Mr. Laubshire knew the evidence and the witnesses stated and shows this was an accident and Petitioner call out for help and help never come. And the record shows Mr. Micheal Laubshire that it appear to him not to be an accident to him. Which shows he had reckless disregard for the truth. Trial Counsel

Mr. Micheal Laubshire shows that he wanted to prosecute Petitioner then to defend Petitioner. This court should know Mr. Micheal Laubshire was also a solicitor as well petitioner is demanding this court to take action and vacated Petitioner guilty Pled and send back for new trial. Mr. Eddie Bass had no chance of due process from the beginning. I further attest that I was in special ed. and dropped out of school and cannot represent myself.
