Appellate Case No. 2024-001108  
Motion for Rehearing

---

I Ask this Honorable Court for a Rehearing Pursuant to Rule 221(a) SCACR.

Respondent says petitioner has failed to show there is an arguable basis for asserting that the determination by the post conviction relief court was improper, and has dismissed the Notice of Appeal but has overlooked the Procedural irregularities that has occurred which violated Petitioner's due process during the course of Judicial Process, and Procedural due process.

Respectfully Submitted
