

The South Carolina Court of Appeals

H.A., by and through her guardians, Jane and John Smith, and Jane and John Smith, individually,
Appellants,

v.

South Carolina Department of Social Services, South Carolina Department of Children's Advocacy, Tammy Gaye Causey Dalsing and Edward Anthony Dalsing,
Respondents.

Appellate Case No. 2023-001049

ORDER

After careful consideration, Appellants' motion for leave to move for a new trial based on the accuracy of the transcript is denied. Appellants failed to first pursue other avenues for ensuring the accuracy of the transcript prior to filing their motion. Additionally, the portions of the transcript noted as "inaudible" have no impact on the substance of the arguments Appellants made at the hearing below, and therefore should not hinder Appellants in drafting their brief.

Appellants' request for an extension to file their initial brief is granted. Appellants shall serve and file their initial brief within fifteen days of the date of this order.
