Re: State v. Matthew Fullbright; Appellate Case No.: 2012-207553

Dear Appropriate Person:

This is my official request to this court to hold my appeal of appellate case no. 2012-207553 in abeyance until a hearing and/or a ruling can be had in this matter.

I have attached the following affidavits to this letter:

- Reverend Bo Trotter,
- Marshall Fullbright,
- Kathy Fullbright,
- Matthew Fullbright,
- Wanda Shearer,

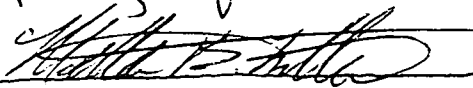

All of whom are eyewitness and have heard firsthand that I, Matthew B. Fullbright did take the stand and give testimony at my Jackson v. Denno Hearing on November 17, 2011 before Judge McIntosh in Anderson County.

I would have attached an additional two affidavits at this time but I am having my legal mail and discovery seized, confiscated, edited, and censored here at Lieber Corr. Inst.

IF Fraud has been committed on the Court it needs to be remedied at this time by casting light upon it.

My appellate attorney, Susan Hackett, Esq., filed an initial brief which is based upon an incomplete and inaccurate record. Let it show I have not sat silent. My sixth amendment right(s) of the U.S. Constitution are being violated. Let it show I am not waiving any rights. There is a major conflict of record here.

Respectfully Requested and Submitted,

S/

An Affidavit

I, Matthew Brandon Fullbright, Swear and affirm that the foregoing is true, correct, and did take place. I attest to the foregoing under penalty of perjury, so help me GOD:

I, Matthew Brandon Fullbright, took the stand and gave testimony at my Jackson v. Denno Hearing in Anderson County, on November, 17, 2011, before Judge McIntosh. However, this testimony is not reflected or recorded in my Jackson v. Denno Hearing Transcript which was transcribed by Renee Tallison.

I am informed and believe that my deleted/removed testimony is vital and pertinent to my appeal from Anderson County.

This is absolutely correct to all of the best mental ability and memory given to me by GOD almighty.

I, Marshall H. Fullbright, do tell to the best of my memory and recollection that the following is true:

On November 17, 2011, I was present at my son, Matthew Fullbright's Jackson vs. Denno hearing. The hearing lasted from approximately 9:30 am until almost 1 pm. This is verifiable through Court records.

Matthew Fullbright, my son, did give testimony at this same hearing. His testimony was after I testified and was the last testimony in this hearing. I ordered a copy of the transcript of the hearing and I noticed that his testimony was not included in this transcript. His appellate attorney, Susan Hackett, was notified.

I feel his testimony is vital to his case. The testimony is important.
