SC Court of Appeals

Good afternoon. I, Ashley Williamson, wanted to make all parties aware of the continued harassment by my property manager, Brenda Lawson of Rock Pointe Apartments. We have an ongoing court case that is still active with the Court of Appeals in Columbia, SC. However, Ms. Brenda Lawson is still trying to illegally evict me by intimidation. I received a certified letter via U.S. postal service from Rock Pointe signed by Ms. Lawson stating that I had to vacate my unit by November 30, 2024. The notice was not sent by the court or Rock Pointe's attorney, Mr. Biddle. In fact, I spoke with Mr. Biddle on September 19, 2024 at 1:56 p.m. regarding this matter, in which he was unaware of the notice sent by Ms. Lawson. Being that Mr. Biddle represents Rock Pointe's staff, Ms. Lawson should not be contacting me personally at all about any legal matters. However, she feels she is above the law and can disregard court orders. Not only that, she continues to overcharge me by adding rent fees, late fees, and other bogus charges to my resident portal when I already paid her for rent. Please add the documents to my case file so that all judges are aware of what's going on. I have enclosed a screenshot of the phone call to Mr. Biddle, the latest court order, the certified letter sent and signed by Ms. Brenda Lawson, the order from Judge McKinnon granting me the stay as long as I pay the rent on time before 5:00 p.m. the 5th day of each month, screenshots of the absurd charges on my portal, and proof of paid rent.
