Dear Ms. Harrison:

I am in receipt of the Court's letter of October 7, 2024 regarding possible dates for the February term of court. I have 4 arguments potentially scheduled for February 3, 4, 6, 11, 12 or 13.

Julianne Foster v. Rhett Riviere

I have no conflicts with any of the above dates. I would respectfully request that oral arguments not be set for the same day, and would appreciate it if the Court would not schedule them on back to back days, but understand if that is necessary.

Thank you for your consideration.

With kind regards, I remain

Sincerely yours,

s/C. Mitchell Brown
