

The South Carolina Court of Appeals

Terrance G. Adams, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2023-000242

ORDER

This matter is before the court on a petition for a writ of certiorari following the denial of Petitioner's application for forensic DNA testing under the Access to Justice Post-Conviction DNA Testing Act.¹

Petitioner's counsel asserts that the petition is without merit and requests permission to withdraw from further representation. Petitioner has filed a pro se petition.

Based on the vote of the panel after careful consideration of the entire appendix as required by *Johnson v. State*, 294 S.C. 310, 364 S.E.2d 201 (1988), the petition for a writ of certiorari is denied and counsel's request to withdraw is granted.
