Good afternoon. Attached is the transcript that we received yesterday. It does not have the jury selection portion and I am waiting for a response from the defense on whether or not they consent to that portion not being needed. I am so sorry for any delay. I ended up having my baby three weeks early and the office has changed over all of our email addresses while I've been out. This is my updated one. Please let me know if you need anything else.

Thanks,

Austin Smith

Hi Shannon. After speaking to the AG in this case they have informed me that we

need the transcript from jury selection too unless the defense consents to us not needing it. I have copied Ms. Cloud on this email so that she can let us know if they will forgo that part of the transcript. I don't believe that there is anything during the jury selection process that is relevant to the appeal.

Thanks,

Austin Smith
