RE: Christine Tedder v. Harris Teeter
Appellate Case No.: 2024-001685

Dear Ms. Harrison:

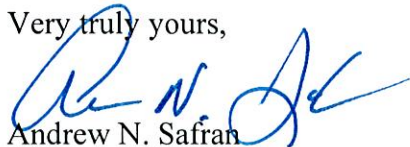

Per our conversation of this morning, I would reconfirm that since the October 4, 2024 filing of this appeal from the South Carolina Workers' Compensation Commission, the parties have agreed to mediate the underlying claim. This mediation is currently scheduled for December 5, 2024.

In view of this development and with the consent of Johnnie Baxley, counsel for Respondents, I would respectfully request you please consider this letter a Motion to Stay the Appellate Proceedings relative to this matter. Specifically, I am requesting all filing deadlines be held in abeyance pending completion of the December 5, 2024 mediation. A check in the amount of Fifty and No/100 (\$50.00) Dollars in satisfaction of the filing fee associated with this Motion will be hand delivered.

Given this development, it is my understanding the filing deadlines for the Appellant's Initial Brief and Designation of Matter, which currently fall on Monday, November 4, 2024, will be stayed. If I have in any way misconstrued the effect of my stay request, please notify us at your earliest convenience.

With kindest regards, I am

Very truly yours,

Andrew N. Safran
