State of South Carolina Workers' Compensation Commission,

I'm writing in reference to an appellate panel decision and order that was sent out on September 20, 2024. I didn't receive a copy of the decision until October 3, 2024. I've been trying to contact the courts of appeals since October 4, 2024. And wasn't able to reach anyone due to the storm Helene. I left numerous messages for someone to return my call but was not successful. I was able to reach someone in the office on yesterday, October 29, 2024.

I'm reaching out to appeal the decision that the Commission Panel made. The hearing was held July 15, 2024. The decision was sent out September 20, 2024. I received the decision on October 3, 2024.
