**Motion for Extension Of Time To File Initial Brief And
Designation Of Matter To Be Included In The Record On Appeal Of
Respondent South Carolina Office Of Regulatory Staff**

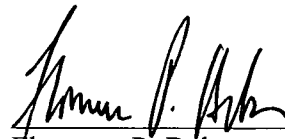

Pursuant to Rule 263(b), SCACR, Respondent South Carolina Office of Regulatory Staff ("ORS") moves for an extension of time in which to file its Initial Brief and Designation of Matter to be Included in the Record on Appeal. Respondent ORS respectfully moves this Court for an additional thirty (30) days in which to file its Initial Brief of Appellant and Designation of Matter to be included in the record on appeal. If the Court grants this motion, Respondent ORS' Initial Brief and Designation of Matter will be due on or before October 30, 2013.

This request for additional time to prepare the Initial Brief and Designation of Matter is necessitated by the extensive size of the record in this case and Counsel's continuing work obligations and schedule.

Counsel for ORS has consulted with the other parties of record regarding this requested extension. Email correspondence indicating consent to this requested extension from counsel for Appellant-Respondent South Carolina Energy Users Committee, counsel for Respondent South Carolina Electric and Gas, Respondent Pamela Greenlaw, and counsel for Respondent-Appellant Sierra Club is attached to this motion.

WHEREFORE, South Carolina Office of Regulatory Staff prays that its motion for an extension of time be granted.

Respectfully submitted,

Dear Lady and Gentlemen:

ORS's initial brief and designation of matter to be included in the record on appeal is due on Monday, September 30. Due to my workload and office obligations, I find that I need to request an additional 30 day extension to file and serve my brief. I am therefore asking for your consent to a request for an extension for me to file and serve my brief.

I have spoken with Scott Elliott who has indicated he consents to this request. I have left voice mail message for Bob Guild and Pamela Greenlaw. Also, I have also spoken with Chad Burgess for SCE&G about this request.

I plan to file a motion with the Supreme Court early next week. Would you kindly respond to this email indicating whether you can grant your consent? I will need to file copies of the emails with the motion.

Thank you for your consideration of this request for an extension. Please feel free to contact me with any questions.

Best regards,

Flo

Dear Parties –

SCE&G's Initial Brief and Designation of Matter of Record to be Included in the Record on Appeal must be filed with the Supreme Court by September 30, 2013. While we are diligently working to meet this deadline, we are in need of additional time to complete our work. With that, we plan to file a motion with the Court early next week asking for a thirty day extension of time within which to complete our brief. The purpose of this email is to inquire as to whether you would be willing to consent to SCE&G's motion. Please reply to this email at your earliest convenience so that we may advise the Court accordingly.

Please know that we have discussed this matter with counsel for ORS and left each of you a voicemail message concerning our request.

If you have any questions or concerns, please do not hesitate to contact me. Thank you.
