v.

Tyler Woods,.....Respondent.

CONSENT MOTION FOR LIMITED REMAND
and to
HOLD APPELLATE TIMELINES IN ABEYANCE

The Record on Appeal is due to be served by Appellant upon Respondent on or before November 1, 2024. The parties recently settled this case, and their agreement requires the submission of a consent order to the circuit court that vacates the damages order and judgment. The circuit court cannot do so while the above-captioned appeal is pending before this Court. See Rule 205, SCACR (“Upon the service of the notice of appeal, the appellate court shall have exclusive jurisdiction over the appeal”). Accordingly, the Appellant hereby moves with Respondent’s consent for a limited remand to the circuit court for submission of the consent order vacating the damages order and judgment, and to hold all appellate timelines in abeyance during

the pendency of this limited remand. The parties will move to dismiss the above-captioned appeal after the circuit court decides whether to enter the consent order vacating the judgment.
