Re: Rechelle Wynn vs Vince Price - Appellate Case No. 2024-001378

Attn: Jenny Abbott Kitchings, Clerk

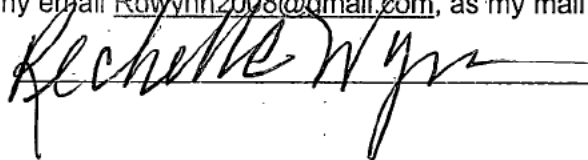

This letter is submitted to update & correct the deficiency noted in the letter received by mail October 17, 2024 from the South Carolina Court of Appeals that is dated October 9, 2024 informing of the absence of the \$50.00 Filing Fee.

Please find attached the \$50.00 Cashiers Check #6834907261.

Please accept my apology for the delay as it has been very stressful living in my car and out of my storage, costing me more money eating fast foods on the go, extended travel, the inconvenience of seeking a place to shower and wash my uniforms etc. Not to mention the frequent recent medical bills, copays & co-insurance payments in the past 10 months in the attempt to diagnose the cause of my various present symptoms. Many of my coworkers still do not have electrical power restored and those that have including my place employment are still having internet service issues to this day. THIS IS ONE OF THE WORST EXPERIENCES OF MY LIFE, SOMEONE PLEASE HELP ME!!!

I am having extreme issues on my job attempting to focus due to the fact that I am sleep deprived from the safety issues surrounding sleeping in my car at various locations seeking proper light and consistent activity of people moving around. WHO PUTS A PERSON ON THE STREET AS A RESULT OF THEIR OWN DECEPTION & NEGLIGENCE? I thought that this case should have been sent back to the Summary Court to be heard again as a new case, due to missing information and missing audio recordings from both the June 6th & June 20th Hearings with the same Judge. I am spending more un-necessary money just to live from day to day in my car here & there and a added monthly storage payment/ doing laundry outside. I have reached out to Mr. Price several times by phone and spoken with him regarding a itemized break down of what amount he claims that I owe to RESOLVE THIS ISSUE and in July asked for the 3rd time in the past few years when another Tenant moved out to let me move into a vacant unit so he can fix water leak & black mold at 110 Brook Allen Drive. Each time he disregarded my request. Please send response to my email Rdwynn2008@gmail.com, as my mail is being removed now.

Sincerely, Rechelle Wynn
