The South Carolina Court of Appeals
1200 Senate Street
Columbia, SC 29201

Porter Bankhead, Barbara Simplice, Sarah Dennis

v.

Alicia Taylor, Frank Christopher Taylor, Stephen Anthony Taylor, Marcus Bankhead, Robert Erwin Bankhead, Florence Bankhead, Sandra McKinney Spears, Sharon McKinney Threadcraft, Kevin McKinney, Kimberly McKinney McElhaney

Appellate Case No. 2022-001591

The Honorable Teasa Kay Weaver
York County
Trial Court Case 2021CP4601165

Motion for Rehearing

Appellants file this Motion for a Rehearing on the Court's rejecting Appellants' Initial Brief as it described Appellants' intent to sell the property and Respondents' failure to agree to give consent; Proof of Service was sent to Respondents on FORM 7 via United Postal Service (USPS), in accordance with Rules 208 and 209.

Appellants addressed the Court's deficiencies noted in its letter of September 24, 2024. Appellants' Initial Brief followed the format outlined at <https://www.sccourts.org>, submitted in our appeal of a lower court order rejecting Appellants' Request for Consideration of their force sale filing.

Court ignored Appellants' filing and did not consider Appellants' merits of the Case in its brief to the Court's letter to Appellants of September 24, 2024.

Appellants' *pro se* filing in this Case is a best approach to using the force sale of the property to overcome Respondents on the deed to comply with sale requirements. Respondents have not responded to any of Appellants notifications in the Case.
