Dear Clerk Kitchings And Deputy Clerk Allen: **SC Court of Appeals**

In response to your letter dated July 31, 2013 and received August 29, 2013, I immediately requested the transcript Rule 207 of the South Carolina Appellate Court Rules requiring said transcript. The office of Attorney Margie Pizarro was asked to mail the transcript to me. Attorney Pizarro's para-legal pretended to mail the transcript to my home. Instead she mailed to me other orders pertaining to the case, CASE NO: 2010-DR-10-6127 which I am appealing. The action herein described has thwarted my attempt to deliver said transcript in a timely manner. Later, after unrequested items arrived to my home from Ms. Pizarro's office, I called Lisa, the para-legal from whom I requested the transcripts. Lisa explained, during that conversation, that their firm did not have transcripts that I had requested and that she did not know that I had requested the transcripts. "Sorry," she said.

I have now contacted the Court House pertaining. The name of the Court Reporter was given to me by Judge Thomas Houston. I've been advised that the process involved for obtaining the transcript is much slower than I contemplated. The reporter cannot be contacted by telephone. I've written to Ms. Vizer Handle, asking about cost as I also requested a copy of the transcripts of the two (2) hearings re: The Settlement Agreement I wish desperately to have set aside, in the interest of heading off a travesty of justice. I shall have to solicit legal assistance in preparing the Brief Prose.

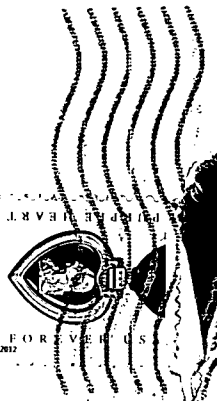

I shall appreciate continued leniency of the High Courts

Yours truly,
Carolyn T. Smith
