Re: Olga Teslenko v. Joe Kocsis  
Appellate Case No. 2024-001734

Dear Ms. Teslenko:

The Court received your letter dated November 04, 2024, inquiring about designating exhibits entered by the trial court. If the exhibits are documents that are capable of being reproduced on a page that is 8 1/2 inches by 11 inches, then you may include copies of those exhibits in the record on appeal. If the exhibit entered in the trial court is not capable of reproduction in the record on appeal, such as a video or oversized exhibit, then you may request the issuance of an order of this Court directing the release of the exhibit for the purpose of appeal. In other words, scanned copies of the exhibits are acceptable, as long as they are also legible. In most cases, the Court of Appeals does not need original exhibits.

Very truly yours,

  
CLERK
