Re: *Ron Christmas v. County of Georgetown, et al.*
Appellate Case No. 2023-001454
Circuit Court Case No.: 2020-CP-22-00356

Dear Ms. Harrison:

I am writing to clarify the Designation of Matter (DOM) filed on November 6, 2024, in the above-referenced case. The DOM was titled as "amended" to indicate that it was an updated version of the initial DOM previously filed. However, upon reflection, we acknowledge that the term "amended" may have been inadvertently misleading, as the document submitted with our Reply Brief is a combination of Appellant's Reply DOM and the DOM filed with our Initial Principal Brief, rather than an amendment.

We respectfully request that the Court retain the filed DOM as submitted on November 6, 2024, and disregard the "amended" designation in the title. We believe this version accurately reflects the materials pertinent to the appeal and provides clarity on the issues at hand.

Thank you for your attention to this matter, and please let us know if any further clarification is needed.

Respectfully submitted,

s/ Justin Lucey
