Re: Fast Formliners Company v. Construction Resource Group, Inc.  
Appellate Case No. 2023-000572

Dear Counsel:

The court has received a letter advising that counsel for Respondent-Appellant now has a conflict with the December oral argument date for this case. The court requests the parties confer and update the court within five (5) days whether they prefer the case to be submitted without argument during the December 2024 term of court, continued until early 2025, or whether counsel for Respondent-Appellant desires to work with the district judge pursuant to Rule 601(b), SCACR, to

accommodate the existing oral argument date.

Very truly yours,

A handwritten signature in blue ink that reads "Jerry A. Kitz". The signature is written in a cursive style with a large initial "J" and a stylized "K".
