

The South Carolina Court of Appeals

Tammy Batten West, Appellant,

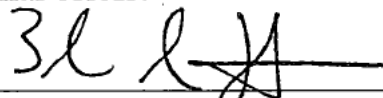

v.

American Honda Motor Company, Inc., Respondent.

Appellate Case No. 2022-000162

ORDER

On October 28, 2024, Appellant filed a motion to strike Respondent's final brief or allow Appellant to file an amended reply brief in light of a change to a citation from Respondent's initial brief to Respondent's final brief. Respondent filed a return, opposing Appellant's request. After careful consideration, we deny Appellant's motion to strike. However, we grant Appellant's motion to file an amended final reply brief. Within twenty days of the date of this order, Appellant shall serve and file an amended final reply brief that makes the amendment proposed in Appellant's motion. Within ten days of the service and filing of Appellant's amended final reply brief, Appellant shall provide the court with six bound copies of the record on appeal and final briefs.
