APPEAL FROM HORRY COUNTY
Honorable Alex B. Hyman, Circuit Court Judge

Appellate Case No. 2024-000599
Circuit Court Case No.: 2022-CP-26-03314

Claudia Troyer Miles, David V. King, and John M. Strasswimmer.....Respondents,

v.

Mary Michelle MilesAppellant.

**MOTION FOR EXTENSION OF TIME TO FILE APPELLANT’S REPLY BRIEF
AND RECORD ON APPEAL**

Appellant hereby moves for a 45-day extension of time from today’s date in which to file its Reply Brief and Record on Appeal. Appellant attempted to reach counsel for a Consent to an Extension to File a Reply Brief, but has not received affirmation or denial of said request. Therefore, Appellant currently seeks leave of this Court to file its Reply Brief on or before December 8, 2024. Appellant requests that the deadline to file the Record on Appeal also be extended until December 8, 2024.

Appellant’s counsel wishes to have additional time in order to prepare a Reply Brief. Counselors have also been attempting to settle this matter outside of Court and Appellant believed a mediation was scheduled on November 1, 2024, which has now had to be rescheduled in part due to Respondent Strasswimmer’s occupation (physician). There is currently no rescheduled mediation date due to the inability to confirm dates with all parties. Additional time would facilitate the parties’ ongoing discussions about possible resolution of these matters.

Further, one of Appellant’s counsel of record, Jessica Ferguson, who resides in Greenville, suffered loss of ability to work due to Hurricane Helene, which included loss of power and internet for an extended period of time.
