Good Afternoon,

I am writing you to let you know that I have not worked with the SC Attorney General's Office since 5/5/2023. I am currently in private practice and have not had access to any of the AG's files since the day I left. I understand that someone else in that office is responsible for this case since my departure. As I have no access to these files and cannot participate in the following proceedings, it would probably be best that I be removed from any communications amongst the remaining involved parties as it pertains to this case (Lance v. State). I have spoken with Case Management Specialist II, Marlina Coit, whom advised me to send this email in regards to this case and these circumstances. Thank you very much for your help in this matter.

Best wishes,
Whitney
