

The Supreme Court of South Carolina

Quasean David Marshall, Petitioner,

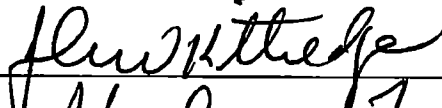

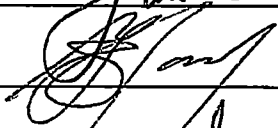

v.

State of South Carolina, Respondent.

Appellate Case No. 2024-001108

ORDER

By order dated October 3, 2024, this Court dismissed Petitioner's notice of appeal for failing to provide a sufficient explanation that there was an arguable basis for asserting that the determination by the post-conviction relief court was improper, pursuant to Rule 243(c), SCACR. Petitioner has filed a petition for rehearing. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded. Therefore, the petition for rehearing is denied.
