Dear Ms. Kitchings:

Counsel for Appellant requested the transcript from the March 18, 2013, appellate argument from the court reporter on July 11, 2013. A copy of the correspondence with the court reporter was provided to the Court.

More than sixty days have now passed since Counsel's request; however, the transcript has not been received. Therefore, Counsel is notifying the Court and the South Carolina Workers' Compensation Commission as provided in Rule 207(b)(4), SCACR.

Please do not hesitate to contact me should there be any questions or concerns regarding this communication.

Sincerely,
