SC Court of Appeals

Dear Court of Appeals,

I believe I have a Arguable basis that there are issues preserved for an appeal of my Guilty plea for the following reasons:

1. NO time to prepare for court. Suzanne White was supposed to represent me but I never saw her. Last thing she wrote me on the County Jail Kiosk was she would set up a time to come see me and discuss my options. Instead Mr. Cheeks came to see me a month early to original court date saying he could get me into court a month early then the very next day I got summons to court. didnt have time to tell family to come for support or prepare at all. also Mr. Cheeks had fought with the inmate before me and was very angry when it was my turn to go up to see Judge.
2. false evidence was given in court. regarding tracker supply and locks being cut.
3. Plead to wrong charges. I was originally charged with Burglary and now violent but in court Judge Cole referred to my charges as Burglary and violent. I was also told by the hearing Agent for my probation that I would be reinstated but that wasnt brought up.

all in all I feel like I was given the max  
sentence and had very little counsel. Please  
take this into consideration on my Appeal  
Please.

Sincerely,

Andrew James Alyn Horton.
