RE: Andrew Pampu v. Erin Wingo  
Appellate Case No. 2022-001332  
NMRS File No. 057289/01500

Dear Ms. Harrison:

I am in receipt of the Court's letter dated November 6, 2024 regarding possible dates for the March 2025 term of court.

After yesterday's deadline, it came to my attention that a conference/meeting I am expected by a client to attend has just been set for March 3-5 in Colorado. Therefore, and my apologies, but I would respectfully request that any case set for the March term oral argument calendar be set for the dates of March 11-13. I thank the Court for its consideration of this request and apologize again for the timing.

With kind regards, I remain

Sincerely yours,

s/ C. Mitchell Brown
